

ARCH/LARCH/GD 297: P H O T O G R A P H Y F O R D E S I G N E R S

firstinarchitecture.co.uk

Availability: open to all Stuckeman School undergraduate students

Meeting time: TBD based on availability of all class members

Credits: 1 (This class will run for an 8-week portion of Fall 2018)

Instructor: Erica Quinn

Photography for Designers will explore using photography as an observational and documentary tool to serve and expand Architecture, Landscape Architecture, and Graphic Design students' work at each step of the design process, from idea-generation to final documentation.
