Dear Career Day participants,

Welcome to the 33rd annual Stuckeman School Career Day! On behalf of our students, faculty and staff—thank you for committing your valuable time and effort. Career Day is a vibrant event that uniquely enables professional firms to interact with our school’s students through a format that encourages discovery, student engagement, and networking with alumni and professionals across the Architecture, Landscape Architecture, and Graphic Design professions.

We look forward to meeting you at the Expo!

Included in this packet is:

- Plans of the Stuckeman Family Building with firm location map;
- Campus map;
- Information about optional interviews that you may choose to conduct at the Bank of America Career Services Building on Saturday, February 9th.

I encourage you to review student résumés & portfolios on the eNetworking platform in advance of Career Day and contact students who may be the right fit for your office. You are welcome to engage with students during the Expo on Friday, and at the Bank of America Career Services Building on Saturday.

Schedule of events:

**Friday, February 8:**

12pm – 12:30pm: Arrival / check-in : 1st floor, Stuckeman Family Building

12:30pm – 5:30pm: Career Day expo : 1st floor Main Jury Space & 3rd floor mezzanine, SFB
- Snacks and beverages provided

6pm – 7:30pm: Reception : Alumni Lounge, Nittany Lion Inn

**Saturday, February 10:**

8am – 5pm: (Optional) Career Day interviews (Bank of America Career Services Building)

If you have any questions, please don’t hesitate to ask myself or any of the student ambassadors for assistance.

Thank you,

Ross Weinreb, R.A.

2019 Stuckeman School School Career Day Interviews

When: Saturday, February 9, 8:00 am – 5:00 pm

Location: Bank of America Career Services Center
100 Eisenhower Road
University Park, PA

Protocol: Firms who wish to conduct interview of our students are invited to use the Bank of America Career Services Center (see map below). Parking is available in the adjacent Eisenhower Deck, the East Deck, and the Nittany Deck. Campus dining options for lunch are limited on the weekends. However, there are many restaurants located downtown on College Avenue within a 10 – 15 minute walk.

The Career Services Center is controlled by card access on the weekends. A representative of the Stuckeman School will be at the building from 8:00am to 5:00pm to provide access to the building and answer questions. Firms will be assigned an interview room upon arrival. Please escort each interviewee from the conference room to your room. You are encouraged to schedule interviews at your discretion. An interview schedule template is provided for your use. Some students may ask to conduct a ‘mock-interview’ for practice; firms can designate specific time-slots for those students, or decline the option.
