2020 Stuckeman School Career Day Interviews

When: Saturday, February 8, 8:00 am – 5:00 pm

Location: Bank of America Career Services Center
100 Eisenhower Road
University Park, PA

Protocol: Firms who wish to conduct interview of our students are invited to use the Bank of America Career Services Center (see map below). Parking is available in the adjacent Eisenhower Deck, the East Deck, and the Nittany Deck. Campus dining options for lunch are limited on the weekends. However, there are many restaurants located downtown on College Avenue within a 10 – 15 minute walk.

The Career Services Center is controlled by card access on the weekends. A representative of the Stuckeman School will be at the building from 8:00am to 5:00pm to provide access to the building and answer questions. Firms will be assigned an interview room upon arrival. Please escort each interviewee from the conference room to your room. You are encouraged to schedule interviews at your discretion. An interview schedule template is provided for your use. Some students may ask to conduct a ‘mock-interview’ for practice; firms can designate specific time-slots for those students, or decline the option.
